The first event of the Cell, Bollywood to Business was held on 30<sup>th</sup> August, 2018. In this event, the participants had to select a scene of 2 mins. from any Bollywood/Hollywood movie and relate it to a business or commerce concept by giving a presentation for 5 mins. The event was judged by the college faculty Prof. Dr. Vinita Pimpale. Certificates were awarded to the winners.

On 24<sup>th</sup> January, 2019, the event, Problem Hai Toh Solution Hai, was held with the sole aim to encourage the students to come up with innovative solutions for today's social problems. The event was judged by Prof. Pradnya Nadkarni and Prof. Divya Somakumar. 24 students were divided in the groups of 3. Each team was given a social problem for which they had to come up with innovative solutions within 45 minutes with the help of waste materials, stationery and other articles provided to them. Each group was given 5 minutes to present their solution. The students were judged based on their innovative ideas and presentation skills. At the end of the event, 3 winning teams were given certificates.
