The Photography Club organised a Photo Walk with a theme 'Mumbai: #Trending', on 9th October, 2018. All the photographers were asked to assemble at CST station. There were 20 photographers who had participated for the photo walk.

Groups of 4 photographers were made to cover maximum area and capture variety of pictures. The area covered was from CST station to the Gateway of India, and also Fort. A time limit of 2 hours was given to each group and they were asked to meet at the Asiatic Library after the event. The best of photos were selected and the photographers were awarded with certificates. Their photographs have been included in the college's annual magazine.

On 21st January, 2019, the Photography Club organised a workshop for all the aspiring photographers of the college. The workshop covered the basics of operating a DSLR, videography, composition of frames, technical aspects of a selfie and of enhancing the quality of the image taken.

The workshop was conducted by Sheldon Roth, an alumnus, who is not only a photographer but also a cinematographer who has worked for big companies like DHL, Bluedart and Johnson & Johnson.

The students were also shown a short film named 'Fatality' created by Sheldon himself, to impart practical knowledge of how videography is done.

The second part of the workshop to be held on 30th January, 2019.
