

Annual Report of Photography Club 2017-2018

The photography club conducted a 'Basic Photography workshop' on 12th August 2017 in G-4 classroom. The Workshop started with a welcome address by student joint secretary Unnati Jani which was followed by introduction of 'The Photography Club of Podar' and the co-founder of 'Pixel factory' Mr. Akshay Balsara which was given by student secretary Amit Kale. The speaker Mr. Akshay Balsara guided the students about important components of Photography like composition, exposure, light and lenses followed by the technical aspects of a DSLR camera like Shutter speed, Aperture, ISO and White Balance. Amit Kale, student secretary of the club proposed the vote of Thanks.

The Photography Exhibition conducted is a result of joint effort of Podar Hikers Club and Photography Club of Podar College. The exhibition was conducted on 22nd January, 2018 at 9:00. The exhibition was opened for the students of R. A. Podar College only. The exhibition was inaugurated by Vice Principal, Teacher in Charge of both of the forums. Photos displayed in the exhibition are clicked by Ex Podarites and Ex Members of Podar Hikers Club. The photographers are well versed with each and every aspect of Photography. Photographs displayed were from the areas of Hiking, Wildlife and Nature. Highlight of the exhibition was photographs from Mount Everest Base Camp. Other contribution of the exhibition includes, Annapurna Circuit of Nepal, Bandawagarh Tiger Sanctuary and Tibet. Contributors for the exhibition were, Mr. Anand Nagwekar, Mr. Akshay Bharadawaj, Mr. Gopal Iyer, Mr. Vikas Kavle and Mr. Amit Mahajan. The exhibition was called on short notice and had to be wind up by 12:00 in the afternoon due to constraints of timing. Around 60 students and few professors of Degree as well as Junior College visited the exhibition and were amazed by the clicks displayed.

The Photography Club along with its members conducted a Photo walk at C.S.T. Station on 24th January 2018. The duration of the Photo walk was from 11 AM to 1 PM. The main objective of this Photo walk was to bring out the focus on Architecture and Street photography. The focus of the street photography is on the observation and understanding the thought process of the human behaviour. The members engaged themselves in getting pictures of the people on the streets as well as the architecture. All the members who participated in Photo walk enjoyed exploring historic places around C.S.T. station like Gateway of India, hotel and RBI museum. The best photos were uploaded on social media platform.
