The four day intra collegiate fest was a collection of over fifty events under various departments like sports, literary, cultural and informals. Students from first year junior college, first year degree college and second year degree college participated in great numbers to showcase their talent. The teams are formed on the basis of their divisions that compete with each other to win the Rapport trophy for their respective batch.

The events concluded with the Prize Distribution Ceremony in which the winning divisions were felicitated by Dr. Mrs. Amitha Sehgal, the Teacher-in-charge for the Students' Council. The winning classes for the events were FYJC-G, FYBMS and SYBMS. All the students thoroughly enjoyed the 4 days of the fest, regardless of winning or losing, they definitely learnt a lot and went home with fond memories of the festival.
