

## WOMEN DEVELOPEMENT CELL- ANNUAL REPORT 2016-17

### Annual Report 2016-17:

Event 1: Corporate Grooming Session.

Date: 5th August, 2016

Venue: S4

On 5th of August 2016, the Women Development Cell of R.A.Podar college organised a Corporate Grooming Session for all the students. Most Companies invest significant time, money and resources perfecting their corporate brand and image. Employees play a big part in how that corporate brand is delivered and defined inside and outside of the company. C.A. Miss.Siddhi Mehta specializes in helping companies and organizations understand the impact of appearance and personal image on corporate brand. It is about the Visual Appearance, Verbal and Non verbal Communication and Business as well as Social Etiquette. The first impression we give when we enter a room is in the basic form of how we look. We need to realize that the way we dress and project ourselves and the colours we wear are our initial form of communication and it is of utmost importance that we make good use of our wardrobe colours and personal grooming. The students were thankful to the speaker for helping them sort various aspects of corporate grooming.

Event 2: Hygiene Programme

Date: 10th January, 2017

Venue: L. K. Waghji School &Nadkarni Park Municipality School

“The best protection any women can have ...is courage.” – Elizabeth Cady Stanton One of the recent courageous step of wdc toward creating a better present and future was the hygiene programme. The workshop was organised with an aim of spreading awareness of self hygiene within the budding young females. An animated short film named “Hello Periods!” was shown to the female students of age group 11-14 years. It was an interactive session where many questions were asked, answers were given and doubts were solved. The students also pointed out to many social issues related to the same. The students freely expressedtheir views and problems. The session concluded with distribution of chocolates to the students not just for their attention and involvement throughout the workshop but also to celebrate the promise they made to themselves. The promise, that they believe they are a gift of God to the society and by implementation of self hygiene and safety, they shall protect and take care of not just themselves but also of their friends in order to cherish and maintain this pure gift they are to the society and themselves.

### Event 3: Disaster Management

Date: 24th and 25th January, 2017

Venue: Disaster Training Center, Curry Road

Disaster management session was organized by NSS UNIT and WDC in collaboration with disaster management of Brihan Mumbai Mahanagar Palika on 24th and 25th January 2017. The session was held in the Disaster Training Center, Curry Road in the presence of Mr. Rajendra Lokhande, Senior in Charge of Disaster Management. On the first day of training, the theory of disaster management was taught. The session gave knowledge about earthquake, flood, and Tsunami situations in detail. They also showed their control room from where they handle all cameras fitted on every traffic signal and main areas of Mumbai. They informed about the toll-free numbers of important agencies, e.g., police, fire brigade, ambulance, etc., and delivered special training on tackling the situations of fire. On the second day, a practical session on disaster management was conducted, wherein they taught making stretchers by available resources like dupattas, ropes, and even with our hands. They showed us some equipment made with waste bottles, footballs, wood, and steel pots. This equipment can be made at home, office, or even at colleges. There was a special session on first aid where they explained to us about first aid at situations like burn, cut, how to stop bleeding, choking, pain, how to give CPR. The importance of a medical card is explained by them.

### Event 4: "Happy Nappy Vending Machine Orientation"

Date: 27th January, 2017

Venue: F3

On 27th of January, Happy Nappy Vending Machine was installed in the Reading Hall' Ladies Washroom. The Vending Machine is different compared to the vending machine installed in the Ladies Common Room for it's unique feature that it can be operated by the use of Smart Card.

On 28th of January, orientation of the Happy Nappy Vending Machine was held. Ms.Vidya conducted a interactive session to explain all the various uses and functions of the Happy Nappy Vending Machine as well as the features of the sanitary napkins. Students of junior college gave a great response to the programme.
