On 29th July, Podar Nature Club celebrated International Tiger Day by conducting an Online Quiz to spread awareness about the Tiger population in India. The Activity had an average Participation of 117 students per Question. The right answers were also presented to the students so that they can learn from the Quiz. The students were also encouraged to present their opinions/views on how we can bring a positive impact to the situation. A good number of responses were received.

Podar Nature Club conducted a Quiz on World Rivers Day which focused on spreading awareness about the current condition of Rivers in India and the Solution to make the situation better. A post was also made on what we can do in our day-to-day life for which would be beneficial in preserving our Rivers. A lot of suggestions were also received from the students on how they plan to contribute towards the preservation of the rivers.

To observe the beauty of Nature is a really important factor in appreciating its importance. Podar Nature Club conducted a Photography Competition from which the Top 15 Photographs were presented on the Forum's official Instagram page. The competition was held on 12th October. The theme for the Competition was "Nurture our Nature" and had a participation of 100 students showcasing their beautiful Nature Photographs.
