The Website Committee is a team of students who are responsible for updating the college website (www.rapodar.ac.in), Podar App and social media handles of the College. The committee was set up to keep the students up to date with the large number of activities that take place in the college.

The Website Team has been updating the following on the college website:

- College Events
- Achievements of Students
- Photographs of Events
- Articles of the college in Newspapers
- Forum information
- Information update with respect to College Autonomy
- Facebook page
- Instagram Account - @rapodarofficial

The Website Committee received a lot of support from students and staff due to its social media presence. In addition to this, a new initiative was launched this year in the form of the official YouTube Channel of Podar College on 30th January, 2020. With the first video by our very own Principal madam Dr. (Mrs.) Shobana Vasudevan, this channel will serve as a platform for students to showcase their talents.

In addition, Podar Canvas is a quarterly published e-newspaper, under the Website Committee, that covers all the events and achievements. It has been a vital part of the college and is made by the students and for the students. The Student in-charge of Podar Canvas is Mr. Eshan Vaidya.
