### SOARING HIGH IN THE REALM OF FREEDOM

Republic Day honors the date on which the Constitution of India came into effect on 26 January 1950. R. A. Podar College as well commemorates this day with great pride.

The NCC troops under the guidance of Mr. Gavande organized an elegant and sober show of patriotism. As a ritual, the principal unfurled the tricolor, she was accompanied by Mrs. Kavita Jajoo and Mr. Natarajan. This value of our college has trickled down to each and every student present. The unified and cooperative efforts of the students to achieve their goals run parallel to the very values on which the college is founded and further perpetuated on such days.

### TREDDING ON ROUGH TRAILS

Podar Hiker's Club organized a trek to Asherigad, Khadkawane on 2nd December 2018. Asherigad stands tall next to Adsul fort. The group of students waded through paddy fields to reach the base village. They treaded along a path full of verdant trees and solitude. There was an impressive carved stone staircase leading to the entrance of the fort and thereafter a staircase suspending in the air lay ahead. A little more while trek through the forest and the team reached the temple atop the fort. The stone carved temple was intricately carved with paisleys, flowers and chakras and an idol decked with kum-kum overlooked us. The journey back home began soon after. Surmounting the fort was equally scary and satisfying.

### **STORM TO PERFORM**

The Chinmaya Mission introduced the 'Storm to Perform' course back in August 2018. It was a journey that encompassed various topics and techniques of mind storming. Looking back, one would see that it was a really successful endeavor. There were a total of seven sessions held, from August 2018 to December 2018. The prime focus throughout these sessions was to identifying one's goals and train oneself to accept and overcome the obstacles and finally accomplish the goal. It emphasized on qualities such as analysis, optimism, proactiveness, responsibility, pragmatism, discipline and self-control. By inculcating all these virtues in one, an individual is equipped to march towards success. In the current situation, where all are busy caught up in the rat race, such a session provided the students with some headspace and an opportunity to rethink their ways and approach towards life.

### **THE ONES WITH LEGS AMIDST THE ONES WITH WINGS**

Podar Nature Club organized a one day nature trail to Karnala Bird Sanctuary on Saturday, 19<sup>th</sup> January 2019. The group arrived at Karnala at 9 a.m. after a two hour journey from Mumbai.
