

Industrial Interface Forum (IIF)

**“Bridging The Gap Between
Boardroom and Classroom”**

Teacher In-Charge: Mrs. Sunita Panja
Student Secretary: Mr. Rahul Ghodke

The Industrial Interface Forum (IIF) aims at providing the students with hands-on experience of the technicalities involved in the industrial and professional fronts. Its main motto is bridging the gap between boardroom and classroom. As a part of the initiative, the IIF organises Industrial visits as well as guest lectures for the benefit of the students.

Event 1: Insights into the world of Investing

The Industrial Interface Forum (IIF) of R. A. Podar College of Commerce and Economics (Autonomous) organised an online guest lecture on Insights into the world of Investment on 27th November 2021. The guest lecturer invited for gracing this webinar was Mr. Sushant Bindal, the Founder of Money Monitors Pvt. Ltd., Stock Market Trainer, and a Public speaker.

The theme of the webinar was “How to trade in stocks and insights about investments and cryptocurrency”. He introduced to the students and briefed them about how to start investing at an early stage of our lives and its benefits. He also spoke about chronologies of investments and how investing smaller amounts can result in greater investments. He explained how investing at an early stage makes you equipped with

funds to start your own business whenever required. The introduction of the technical approach was quite interesting and informative. The right way to look at the investments, the rate of return approach and all the little details given. At the end of the webinar a Q&A session was conducted for the students.

Event 2: Insights into the Consulting World

The Industrial Interface Forum (IIF) of R. A. Podar College of Commerce and Economics (Autonomous) organised an online guest lecture on Insights into the Consulting world on 22nd January 2022. The guest speaker invited for gracing this webinar was Ms. Priyal Keni, A Chartered Accountant by qualification currently working in the consulting domain at the intersection of finance and digital transformation.

The Theme of the webinar was “Overview of the Consulting Industry” where she introduced to the students and briefed them about the Consulting Industry. She also explained to them the Different types of consulting firms after she also explained Consultancy as a Career and the opportunities. She also shared her life Journey, the difficulties she faced while pursuing chartered accountancy and how she came into the consulting world. While explaining the consulting world she also guided the students who were pursuing Chartered Accountant as their Career. The Webinar was very much Informative and beneficial for the students as they got to know about the Consulting Industry and how to face the difficulties while pursuing chartered accountancy. At the end of the Webinar a Q&A session was conducted for the students.
