**Theme: Raga 20.06 fm**

**General Secretary: Yashraj Akashi**

### **Description of the theme:**

Rapport this year has a classical feel to it and can be caught only at a very high frequency which we call 'Rapport Raga 20.06 fm.' Rapport Raga is a special musical composition by the T. Y. B. Com Batch of 06-07 as a tribute of the 20<sup>th</sup> year of the rapport tradition. Here, at 20.06 fm, we play the rapport raga, which is composed of several notes of zeal and zest using the highest pitches of excitement, paving the way for the most beautiful variations in style to form the most melodious songs ever.

Come December 18 and the festival begins. There will be lights all over. The more the festivity and enjoyment glistens up the faces and fills a jolly feeling in the hearts of everyone on the Podar campus. Songs, dance, drama. There will be fun in the air. A way of celebration sweeps the whole campus as the most creative minds of the college storm their brains to win and prove their mettle. The festival of every Podarite Rapport begins.

Tune into Raga 20.06 fm.
