Rang de is a beautiful mixture of various colours that have been added to every TYites life, over our college years. It is the flavour that every Podarite brings along. It not only adds extra hues to our college life but also blends us into the same rang called the 'Podar way of life.' R. A. P. P. O. R. T. this year, is a palette that all of us can add our individual colours and blend and form a completely new rang

Come this 19th December and this festival of colours begins. Different shades of hues around as the mood of festivity and enjoyments glistens up the faces and fills a jolly feeling in the hearts of everyone on the Podar campus, Join in the festival of every Podarite.
