

# WOMEN DEVELOPMENT CELL

**Teacher In-charge:** Dr. (Mrs.) Tejashree Patankar  
**Student Secretary:** Ms. Anvi Tikhe

1. The first activity conducted by the Women Development Cell Committee 2022-23 was poster designing. The team designed different posters related to women hygiene to be put up in the Ladies Common Room. The main idea was to highlight the benefits of women hygiene and thereby enlighten and encourage women to work towards women's hygiene at home, work and school. The Women Development Cell also undertook the task of checking the amenities available in the ladies' common room and keeping a check on the maintenance of the amenities.
2. The second activity undertaken by the team was to set up posters within the college to educate students about the different workplace harassment and self defense techniques for the same. The posters also included topics like women's rights and other details of the cell. The cell designed and curated posters and put up the poster on the boards.
3. The Third activity undertaken by the team was on 3rd January, 2023 on the occasion of the Jayanti of the Indian Social Reformer and educationist Savitri Bai Phule. A gathering was organised by the team for all the teaching and non teaching faculty of the college. A speech mentioning the contributions by Savitri Bai Phule was read in Marathi for all the faculty members present. The speech was given by Ms. Aditi Trikal (Third Year student of R. A. Podar College) and Mrs. Vrushali Kanheri Ma'am (Degree College Faculty).

Along with the activities the Women Development Cell Committee had an active social media through which they communicated with the college students. The team also plans on organising an event for the faculty members within the college on 8th March, 2023 on the occasion of International Women's Day.
