

Hobby Circle

Teacher In-charge: Mrs. Pradnya Nadkarni
Student Secretary: Mr. Noel Varghese

About the forum:

Hobby Circle gives the students a platform to showcase their hobbies. From fine arts to performing arts, every hobby a student cherishes is explored in the hobby circle. It allows them to identify their talents. Students can share their talent in the seminars, workshops, and competitions conducted for them.

Event 1: Chandrayaan 3 Session

Day and Date: Friday, August 25th, 2023

Venue and Time: 11:10 a.m. onwards, F2-R.A. Podar College of Commerce & Economics (Autonomous)

No. of attendees: 38 male, 62 female

Description:

Podar: Nurturing Intellect, Creating Personalities

An interactive talk on Chandrayaan 3 was organized at the R.A.Podar College of Commerce and Economics (Autonomous). The speaker and the resource person for the talk were Mr. Archit Gokale, an amateur astronomer and alumnus of the college.

Event 2: Utkrisht Festival

Day & Date: Tuesday, October 3, 2023

Venue and Time: 11:00 a.m. onwards, G4, G5, and G6 classrooms, R.A. Podar College of Commerce & Economics (Autonomous)

No. of attendees: 45 male, 43 female

No. of participants: 5 male, 5 female

Description:

The Utkrisht Festival—Showcase Your Talents was jointly organized by three forums at the R.A. Podar College of Commerce and Economics (Autonomous). This event took place on October 3, 2023, and was hosted in rooms G4, G5, and G6. The three forums responsible for this festival were the Life Enrichment Centre (LEC), Research & Development Cell (RDC), and Hobby Circle. The UTKRISHT Festival served as an exceptional platform for students to exhibit their diverse talents with events like reel-making and logo-making.

Event 3: Masterclass in Designing

Day & Date: Saturday, January 20, 2024

Venue and Time: 10:45 a.m. onwards, F8 Classroom, R.A. Podar College of Commerce & Economics (Autonomous)

No. of attendees: 29 male, 16 female

Description:

To keep pace with today's world, it is very important to be creative and think outside the box. All the attendees were very curious to know about VFX and animation, and the seminar "Masterclass of Designing" by Mrs. Sangeta Pande was so apt for it.
