Description:

MONETA® is a National Level Financial-Market-Based fest aimed towards empowering individuals with financial literacy and fostering a culture of financial management.

We believe that financial knowledge is the key to unlocking personal and societal growth. Hence, at MONETA®, we go beyond traditional approaches to impart financial education. Our comprehensive programs, events, and resources cover various aspects spanning the financial and business world, providing participants with a holistic understanding of finance and its implications. From exploring the latest trends and innovations in the global financial landscape to delving into practical strategies for financial resilience, MONETA® offers a transformative learning experience.

Podar: Nurturing Intellect, Creating Personalities

We believe in the power of collaboration and knowledge sharing. Through our platform, we bring together industry experts, thought-provoking leaders, educators, and enthusiasts to engage in meaningful discussions, exchange ideas, and explore new possibilities.

The inauguration ceremony was a splendid affair. It was graced by MR. AMISH MEHTA, MD & CEO of CRISIL LTD, our chief guest, made everyone feel grateful to be an attendee of such a grand opening. The blue & green banners were hanging down from the walls & the excitement was in the air. AARTI was the perfect start to the day, followed by lighting up the lamp, particularly similar to lighting up our lives. With working minds & creative lives, the film in every respect highlighted the scrumptious lives of students, teachers & the team as a whole.

This year the team introduced a fresh set of Undergraduate events and to top that, it also marked the onset of Postgraduate events.

Undergraduate events were replete with mock stock events like Bullring, corporate law-related events like Legit, and other interesting events like Corporate Boardroom standing true to its name, Production Paradox- testing the costing and production knowledge of participants.

Postgraduate events circled Marketing(Marketeer Melee), Consulting(The Consulting Odyssey) etc

This year the participation count crossed over 60 Undergraduate colleges and over 15 Postgraduate colleges across India.

The valediction ceremony was graced by the presence of Mr. Suresh Babu Vasudevan- Executive VP & Head of operations, at HDFC Asset Management Company, and Mr. Inderjit Camotra- MD & CEO, of Unity Bank.

The prize distribution ceremony took place shortly after our esteemed chief guests addressed the enthralled crowd who were sitting in rapt attention.

The 1st Podium was secured by Narsee Monjee College of Commerce & Economics, followed by our 1st runner-up Gujarat Law Society, Ahmedabad, and the 3rd Podium was secured by SIES College of Arts, Commerce & Science.

For Postgraduate colleges, the 1st, 2nd, and 3rd podiums were bagged by M.E.S's Vasant Joshi College Of Arts & Commerce, Parul University, and Sinhgad College of Engineering respectively.

MONETA® 2023 also presented the colleges with various accolades related to various fields like Best PR, Best ISR, Best CL, etc.

Lastly, a three-day event (7th- 9th December 2023), wrapped up with Ganpati aarti and the team bidding adieu to the audience and a promise of yet another exciting and challenging season next year.

Ikshana - An initiative by MONETA®

Life is more about what we give to the world than what we keep to ourselves. We, as Indians, have been raised in a land that epitomizes humanity. We believe in "वसुदैवकुतुबकम" meaning "The world is family" which emphasizes that all-inclusive growth is the best way forward.

Team MONETA®2023 broke a world record "MAXIMUM AUDIO BOOKS RECORDED FOR THE VISUALLY IMPAIRED PERSON"

ISR - Learn India

MONETA® 2023 Team conducted 132 sessions in schools pan India varying students from 7th grade up to the 9th grade.

MONETA® is committed to making a difference spanning the length and breadth of India, from the eastern shores to the western frontiers, and from the northern peaks to the southern landscapes. Through Learn India campaigns, team MONETA® aims to empower and educate underprivileged children. Our initiative also targets teenagers, potential student entrepreneurs, and differently-abled students to prepare them to manage financial resources to the optimum level.

Learn India is an integral part of MONETA® since we at MONETA® believe in empowerment through education. At 'MONETA® 2023', participants from colleges across the country will also join in our cause to spread financial literacy as they endorse our modules and teaching in their localities as CSR activities.

MONETA® 2023 - Run for Financial Literacy

On the 3rd of December, 2023, 300+ students of R. A. Podar College and participating college participants took a run for financial literacy throughout Matunga and nearby areas to spread both financial literacy and also information about MONETA®. The Run was 2.7 Km and it started at 8.30 Am.

Pan India Colleges like GLS Ahmedabad, Parul University Gujarat, and Damodar College Goa Participated in the marathon and data was collected with the help of Strava and a Youtube Live
