

Photography Club

Teacher In-Charge: Dr. Tejashree Patankar
Student Secretary: Ms. Rutushree Deshpande

About the forum:

The Photography Club was initially formed with the idea that Podar's students should photographically document all its various events conducted on the college premises. Over time it has expanded its scope to help students build photography as a hobby, through workshops and practical exposure. The Photography Club aims to nurture budding photographers and generate an interest among students in the world of photography.

Description:

Basic Photography Workshop was an engaging session whether students were a beginner with a brand-new camera or someone looking to enhance their photography skills. It was a session where students learned the fundamentals of photography, from mastering the camera settings to composing visually stunning shots. Our experienced instructor guided us through the essential techniques, ensuring that students leave with the confidence to capture beautiful moments in every frame.
