

Website Committee

Teacher In-charge: Ms. Sudarshana Saikia
Student Secretary: Ms. Madhura Satoskar

The website acts as a digital hub for our college, providing a centralized platform for everyone to stay updated. The Website Committee, a dedicated group of students, is responsible for maintaining the college website, Facebook page, and Instagram account.

At the beginning of the academic year, we went through a thorough update process. This included refining data about College bodies, annual reports of past years, and other important information. Besides sharing essential updates like notices and results, the Website Committee played a crucial role in announcing various events.

Our posts highlighted achievements in various areas, from the Youth Festival and sports triumphs to co-curricular accomplishments. One significant event was the sharing of insights on "Towards Naya Bharat: Way forward to a 5 Trillion economy" through the ICSSR lecture series, Amrit Kaal Vimarsh - Viksit Bharat @2047. This valuable content was featured on our official Instagram and Facebook pages, with a corresponding news article in the "Achievements" section.

Adding to the positive atmosphere, the Committee proudly announced the All India Rankers for the CMA Inter examination from our college, showcasing academic excellence within the institution. The lively happenings of Podar College are captured in "**Podar Canvas**," a quarterly journal that reflects various events throughout the academic year. The first two editions of this year were carefully curated with guidance from our esteemed faculty. This insightful publication offers a glimpse into the diverse and dynamic events shaping the college community's experiences. "Podar Canvas" is a testament to the collaborative effort and dedication of both students and faculty, encapsulating the spirit and vibrancy of Podar College's ongoing journey.
