Introduction

R. A Podar College of Commerce and Economics (Autonomous)

R. A. Podar College of Commerce and Economics (Autonomous) is a bright star in the galaxy of educational institutions run under the flagship of the Shikshana Prasaraka Mandali, Pune. It is one of the leading commerce colleges in Mumbai city. Podar College was the first non-government commerce college to be started by the University of Bombay in January 1941. It was the generosity of the House of Podar that made this possible. The college was granted permanent affiliation by the then University of Bombay on 17th August 1950.

The College was accredited with an A+ grade with a CGPA of 3.68 by NAAC, in the third cycle, the accreditation was valid for 7 years i.e. until 21st February 2024.

A single faculty Commerce College, it offers six UG Degree Programs - B.Com, B.Com (Actuarial Studies), BMS; BSc (Data Science), BBA (Shipping and Logistics Management), B. Com (Financial Markets), five PG program- M.Com(Accountancy), MCom(Business Management), M.Com(Behavioural Finance), M.Com(Business Analytics), M.Com(International Business) and four Ph. D. programs - PhD in Commerce (Banking & Finance), PhD in Commerce (Business Policy & Administration), PhD in Commerce and PhD in Accountancy.

The College is situated close to the Dadar and Matunga railway stations and several bus routes from Vashi to C. S. T. and Churchgate. The quiet, almost rural setting of the institution, close to and yet far away from the maddening city crowd, provides an ambiance that is just right for teaching and learning.

The college joined the select league of "Autonomous" Higher Education institutions in 2019-20.

Philosophy

Aims and Objectives of the College

R. A. Podar College the Philosophy of education may be summed up in two sentences:

'Samaani va aakooti samaanaa hridayaani vaha'
One in mind and one in heart -may this be the atmosphere in which we work at this college so that a spirit of healthy competition prevails - one in which, each life and lets another live a more purposeful life.

'Na hi gnyaanen sadrasham pavitramiha vidyate'
There is nothing in this universe as pure as knowledge -may this be the mission that guides our students, so that they never stop drinking at the fountain of knowledge in all its forms, curricular, co-curricular, and extracurricular.
The broad aims and specific objectives of education are as follows:-

BROAD GOALS:
- To impart sound principles of Commerce and Trade.
- To develop congenial personalities that can work both as leaders and team members.

OBJECTIVES:
The student should
- acquire knowledge of the principles, the organization, and working of modern business.

Autonomy at R.A. Podar College of Commerce and Economics

The College has joined the select league of autonomous colleges in the Country and the college has embarked on yet another journey in providing inclusive, accessible, and affordable quality higher education in the field of Commerce. Academic autonomy empowers to try innovative methods in teaching, learning, and evaluation processes.

Under Autonomy, the college has the freedom to frame and design the syllabus prepared by the Board of Studies and approved by the Academic Council and the Governing Body of R. A. Podar College of Commerce and Economics (Autonomous). Autonomy shall enable the College to upgrade the quality of its education and nurture 'THE' enablers of a generation who can think, analyze, synthesize, discuss, deliberate, and decide.

About Autonomy:

Autonomy is a functional status given to the colleges, by the University Grants Commission (UGC) and universities. It provides greater flexibility towards purely academic development for the upliftment of academic standards and excellence.
An autonomous college will have the freedom to:

- *Determine and prescribe its own courses of study and syllabi, and restructure and redesign the courses to suit local needs;*
- *Offer student-centric wide choice in courses, a wide range of electives, and freedom in the choice of courses.*
- *Periodical change in the syllabus as per changing needs*
- *Prescribe rules for admission in consonance with the reservation policy of the State Government;*
- *Evolve methods of assessment of student's performance, the conduct of examinations, and notification of results;*
- *Use modern tools of educational technology to achieve higher standards and greater creativity;*
- *Promote healthy practices such as community service, extension activities, projects for the benefit of the society at large, neighborhood programs, etc.*

UNDER GRADUATE PROGRAMS (UGP)

R. A. Podar College offers the following programs at the undergraduate level under the NEP 2020:

Bachelors in Commerce:

B.Com at R. A. Podar College (Autonomous) is a program designed to give the learner skill and knowledge required for a successful career in the exciting world of Commerce and Finance. During the program, the aspirant will learn about the general business principles, and at the same time, study core commerce subjects such as finance, economics, accounting, taxation, business management, etc.

B.Sc. (Data Science and Analytics)

Companies are racing to hire people who can manage large databases and extract insights important for business, government, and academia. The ability to work with large, unstructured data sets and extract vital insights is a desired attribute for a worker. The need for data scientists is so strong that the Bureau of Labor Statistics predicts that there is going to be a visible upsurge in the requirement of data science professionals in India. Similarly, at the graduate and professional level, there's a growing need to catch up, and an opportunity to strengthen career paths and job prospects by adding data science skills. Podar college wishes to address this humongous opportunity by providing a wholesome curriculum which combines data science and analytics. This program also gives opportunities for the learners to become self-made professionals and start operating on their own.

Bachelors in Commerce (Actuarial Studies)

B.Com(Actuarial Studies) at R.A. Podar College (Autonomous) is a self-financing program designed to give the learner skill and knowledge required for a successful career in the exciting world of commerce and Finance. The learner shall acquire a strong foundation in business and commerce and gain skills in communication, teamwork and leadership, develop critical and creative thinking, as well as an understanding of how different cultures do business. The program is designed to make a learner combine skills from Mathematics, Statistics, Economics, and Finance to assess, evaluate and manage future financial risk, thereby addressing a wide range of practical problems in long-term financial planning and management.

The program is designed to be challenging and highly rewarding for those wanting to enter the financial services, insurance or superannuation industry in a quantitative role. Learners would be able to develop the technical and specialist skills needed to pursue the role of an actuarial analyst.

B.Com (Financial Markets)

Finance is an important domain in commerce Education. The steady growth of financial markets in INDIA duly supported by the Government initiatives, has opened up several career opportunities. To utilise the emerging opportunities in the employment space there is a need to have focused knowledge in the financial market domain. With the Indian financial markets getting integrated with International markets, there is a need for knowledgeable and skilled man power. This program will fill the existing gap. As an Autonomous Institution we at Podar have made the program experiential oriented such that the learners will be job ready and will be in a position to contribute while becoming a graduate and after graduation.

The main areas of career are trading and broking in capital markets, equity and other security analyst, mutual funds, credit rating, investment and merchant banking, research and advisory services like mergers and acquisitions, commodity trading, risk management in financial markets, and portfolio management

Bachelors in Management Studies (BMS)- AICTE approved

The BMS department strives to mold its students into competent managers and entrepreneurs so that they rise par excellence. The programme is managed professionally and time to time guest lectures are conducted by experts from the corporate world and even from abroad.

BBA (Shipping and Logistics Management)-AICTE approved

The globalization of business and the consequent competitive pressures have placed demand on logistics operations and thus the use of third-party logistics services by manufacturing companies has become a common practice in the last decade. The important challenge that prevails in logistics industry is dearth of skilled and knowledgeable manpower. Logistics Function Activities are Transportation, Shipping, forwarding, deconsolidation, contract delivery, freight bill payment/ audit, cross-docking, household goods relocation, load tendering, brokering. Warehousing, Storage, receiving, return goods, Inventory management Forecasting, location analysis, network consulting, slotting/layout design, Order processing, Order entry/ fulfilment, consignee management, call Centre Information System, EDI, routing/scheduling, bar-coding, RFID, web-based connectivity, tracking and tracing. Value- added activities such as Packaging, marking/labelling, billing, call Centre activities, customization are also a function of Logistics.

Evaluation at RAPCCE(A)

A student shall be evaluated under the semester grade point average (SGPA) and Cumulative Grade Point Average (CGPA) System. The assessment is carried out in twoparts as follows:

Continuous Internal Evaluation (CIE): to be conducted by the subject teacher all through the semester; CIE includes Internal Assessment tests, assignments, tutorials, problem-solving, group discussions, quizzes, seminars, mini-project, and any other innovative method developed by the teachers.The evaluation pattern for 40 marks for internal examination shall be decided by the respective departments and the final marks out of 40 shall be submitted to the COE in the prescribed format.

Semester End Examination (SEE): shall be a written examination (max 60 marks) on the dates fixed by the Examination Committee.

Students' performance in a course shall be judged by taking into account the results of CIE and SEE individually and also together. **Individual passing for both is necessary.**

The evaluation pattern for each semester of the Core courses shall be 60:40, wherein 60 Marks shall be assigned for a written examination (Semester End Examination or External Examination) and 40 marks would be for internal evaluation.

In case the student is unable to attend the external examination then, the student shall be given an opportunity to appear for the additional external examination provided the leave of absence is approved by the Principal.

In case a student fails in the internals then he/she shall appear for a special test of 40 marks which shall be held along with the SEE (ATKT).

Evaluation Method Passing (minimum score)

Continuous Internal Evaluation Score: 40%
Semester End Examination Score: 40%

Student's disability gracing:

If the student comes under the category of Learning Disability and others, then the Government rules shall be followed and not the general or special gracing norms.

Unfair means in the examination:

The College has a zero-tolerance policy towards adoption of unfair means in the examination. exams. The Unfair Means Enquiry Committee (UMEC) established according to University of Mumbai guidelines, investigates reported cases of unfair means. Students have the opportunity to explain their actions, and each case is reviewed independently. The committee prioritizes guiding students towards ethical behavior rather than solely imposing penalties.

Photocopy and revaluation:

Students can request photocopies and revaluation of their assessed answer papers. Notifications regarding this process are posted on the College website after the announcement of SEE results. Students must apply according to the instructions provided in the notification.

Code of Conduct (Students)

A Podarite is one who stands tall among all men, distinguished by his scholarship, versatility, and above all DISCIPLINE and DIGNITY. Students must therefore take special care to observe the following rules: -

1. **Attendance at lectures, class assignments and class participation are compulsory. A student has to attend college on at least 75% of the days on which classes are conducted. Only if a student is present for all lectures, class assignments, and class participation, for the day, will it be counted as one day's attendance. The attendance at various co-curricular and extra-curricular activities shall be noted by the college authorities.**

2. Students are required to wear their identity cards when they are on the college campus and must produce them whenever called upon to do so by the authorities.

3. The conduct of the students in the class as well as on the campus shall be such as will cause no disturbance to fellow students, teachers, or other classes.

4. Students must not loiter about or congregate in and around the college premises while the classes are in progress.

5. Students shall do nothing either inside or outside the college that will, in any way, interfere with the orderly functioning of the college.

6. Students are prohibited from carrying mobile phones into the examination hall. Carrying mobile phones into the examination hall amounts to unfair means.

7. In the name of the college or premises of the college, no society, association, organization, etc. shall be formed, no collection be made, no tickets be sold, no function or meeting be held, and no person be invited to address the students, no socials are arranged, nothing be printed and/or circulated without the written permission of the Principal. No notice shall be put up on the notice boards (including Blackboards) or announcements be made without the Principal's written permission of the persons authorized in the matter concerned.

8. Students should, in their own interest, read the notices placed on the notice boards from time to time. Students are required to download the college app as well as visit the college website www.rapodar.ac.in regularly. Students shall adhere to the Social media policy of the College. (Click here to read the policy)

9. Every association/organization formed under the auspices of the college is in charge of a Faculty Member nominated by the Principal. Students shall submit all the relevant notices, applications, budgets, accounts, annual reports, etc. only through the concerned Faculty Member.

10. All meetings, functions, programs, and official outings of the authorized and duly constituted associations, societies, councils, etc. of the college must be organized/conducted under the supervision and control of the Chairman with the prior written permission of the Principal. However, the college shall not be responsible for any untoward incident that may occur on such occasions.

Podar College: Nurturing Intellect, Creating Personalities

11. Students are required to note that they are not permitted to organize class/group picnics, socials, and outings in the name of the college. Disciplinary action will be taken against the organizer and those who accompany them.

12. Agenda of meetings, subjects of debates, and guest lectures arranged by the various authorized associations of the college must have the prior written approval of the Principal. No unauthorized person shall arrange any activity within or outside our premises in the name of the college.

13. Any matter published in the college magazine, wallpaper, newsletter, and the Press must have the prior written approval of the Principal. Any publication without the prior written approval of the Principal shall be treated as unauthorized.

14. Students must not indulge in political work on the college premises.

15. Students should not communicate without prior permission of the Principal, any information, or write any information or write about any matter concerning/regarding the college administration to the Press / outside agencies.

16. Students joining the college are required to abide by all the Rules, Regulations, and Instructions that are issued by the college authorities from time to time and to submit to the normal enforcement of the same to the satisfaction of the college authorities, whose decision in all matters shall be final.

17. All the Departments of the college, Gymkhana, Library, Extra-Curricular, etc. will work according to the rules made from time to time by the concerned competent authority.

18. Students are required to note that **'SMOKING IS STRICTLY PROHIBITED IN THE COLLEGE CAMPUS'.**
