# RAPPOR

Congrats to the Students' Council for organizing RAPPOR and making it a success. The slogans adopted by each class and the effort added to the atmosphere and made it one of the grandest college events in Mumbai.

**T**he Students' Council of R. A. Podar College of Commerce and Economics, Matunga organized the intra-collegiate festival 'R.A.P.P.O.R.T' i.e. R. A. Podar's Presentation of Rising Talent. RAPPOR is the most awaited event of the year full of performing arts (dance, drama and music), sports, fine arts, literary arts and many more.

RAPPOR is planned and organized by the Students' Council with the help of many non-council students and under the direct supervision and guidance of the Principal and the Professors in-charge. This year, Rapport was organized between the 21st and 25th of December 2016 with the theme 'Rapport Rangrezz' which was basically based on India and the Indian culture. Most of the events in RAPPOR were theme oriented. 21st December evening was the curtain raiser of the RAPPOR when the college students launched this year's RAPPOR song - the unique feature of the RAPPOR 2016. The song 'Yaadon' was composed and performed by the college students and was played throughout the RAPPOR days. On concluding day of the RAPPOR i.e. on 25th December the intra class winners were awarded with the trophies through the hands of the Principal.
